

1 Chapter 2: Transcendental meditation

2 Hello there feature film freaks art Fern here today with today's fabulous feature film find Dean
3 Jones, Buck Jones, Lewis Stone Franchot tone, Tony Bennett, Joan Bennett, Max senetT and
4 starring Morris the Gentile cat in "Tarzan Brings Home A Social Disease" but first friends, let me
5 ask you this, Are you at one with yourself? Are you at one with the universe? If you are one, see
6 your Psychiatrist. You probably were frightened by your mother. But friends, if you're confused
7 troubled and gullible you're just the type for TM Transcendental Meditation. Where we empty
8 your heads and fill your hearts. Speaking of empty heads and full hearts... HOLY MOLY are you
9 having trouble finding peace? MAA lady I'm not I'm hip. Has life left you completely flat? The
10 doc just said they were permanent friends. Are you tense and nervous? Do people think you're
11 sitting on the edge of your seat because of an old war wound? When World War II broke out did
12 you come home and take it out on the dog? Is your love life confusing? Do you have trouble
13 squeezing a roll of charman without getting emotionally involved? OR YOU never get
14 emotionally involved? You can't get close enough. Is your mind, friend, is your mind so cluttered
15 with trash that you have to call the Department of Sanitation just to collect your thoughts?

16 WHat you need, friends, is our course right here in Transcendental Meditation. The spiritual way
17 to happiness. That's easy to learn and hard to spell, Friends. Enroll in Guru U., where we teach
18 you the value of Silence. When you ask for your money back we tell you to shut up. Through
19 Transcendental Meditation we will take you to another world. We will take you to peace and
20 serenity. WE will also take you to the cleaners. Friends, how do you get there you ask? Well,
21 come to our beautiful School and peaceful Gardina right behind Bob's Big Boy take the Santa
22 Ana Freeway to the Santa Monica freeway take the S.L.O. cut off... stop the car... cut off your
23 slos and get back in the car. Get back in the car and contemplate what a painful thing you've
24 done. Yes friends TM stands for Transcendental Meditation. If it stands for that it'll stand for
25 anything. Now, you can learn to meditate friends and clean all those UNH wholesome thoughts
26 from your brain. You know, sometimes I feel like I just like to get a few things off my chest. Does
27 that sound like a job for Transcendental Meditation? That sounds like a job from Meano Green
28 friend. All you do is get into the Lotus position. That's what I miss. I figure that now begin,
29 friends. Begin by contemplating your Navel and let your mind wander and drift until you don't
30 have a thought left in your skull. When you've achieve this you're ready to run for Congress. AT
31 Guru U. we'll put you in a trance without the use of drugs hypnosis or Electronics using our
32 novel trans inducer and if this doesn't put you to sleep, friends, this most certainly will that's
33 right! Give us your blank check and your blank mind and we will do the rest. I went into a tranCE
34 once. Let me know when you come out of it. Guru U. You will learn the chant that makes the
35 complete human being Ying Ying Ying Ying Yang peace and Harmony love and serenity a lot of
36 sex a little obscenity... who could ask for anything more. Friends, Guru U is having a special for
37 the first hundred people who enroll tonight... look what you get friends a large Navel to
38 contemplate you can have an innie or an outie. The belly button of your choice and it comes
39 complete with a ball of lint. Of course astromy and to avoid hunger during meditation sit on
40 this, friends, you're only supposed to go in a trance for 20 minutes. if you stay in a trance

41 overnight we give you this tuban. turban or tuban with a rooster in it. no good for those of
42 friends, for those of you searching for real Tranquility we offer you this life-size Howard COCEL
43 hostility. Do oh friends that feels good. I know something that feels good. You're right on. mat
44 lady now back to our flick Wallace BERRY, Timothy LEARY, Ralph Marti Blossom, Dear Abby,
45 Abby L, and starring Bessie the Wonder Barracuda and Sam Goldwin's "Bimbos of 1936".

46 Oh we're back already that was another film Masterpiece Jack Lemon, MEDOW LARK LEMON,
47 Betty Davis, police chief Davi,s Ned batty, Warren batty, Clyde batty, Andy Clyde, and Waco the
48 craYz woodpeck in "Tammy Turns Professional".
