Hi All, here are some ideas for the show:

1) Rodney Dangerfields one liners that he can perform sitting across from Carson in an interview.

On "No Respect"

- "I tell ya, I get no respect from anyone. I bought a a bulletproof vest. It was made by Acme."
- "I tell ya, I get no respect. When I was born, the doctor took one look at my mother and slapped me."
- "My wife told me that sex is better on vacation. That wasn't a very nice postcard to send me."
- "I played hide and seek. They wouldn't even look for me."
- "I told my psychiatrist that everyone hates me. He said I was being ridiculous—everyone hasn't met me yet." [[1](#), [3](#), [4](#), [5](#)]

On His Childhood & Parents

- "I could tell my parents hated me. My bath toys were a toaster and a radio."
- "When I was a kid, I was so ugly my mother had to tie a pork chop around my neck to get the dog to play with me."
- "My mother never breastfed me. She told me she only liked me as a friend."
- "I looked up my family tree and found out I was the sap." [[1](#), [2](#), [3](#), [4](#)]

On Marriage

- "My wife and I were happy for twenty years. Then we met."
- "I haven't spoken to my wife in years. I didn't want to interrupt her."
- "My wife told me, 'Last night, were you faking it?' I said, 'No, I was really sleeping.'"
- "My wife made chocolate mousse. An antler got stuck in my throat."

On Doctors & Health

- "I went to see my doctor. I told him I've got spots in front of my eyes. He told me to go get a dog with a shorter tail."
- "What a doctor I've got—he's really mixed up. Last week, he grabbed my knee and told me to cough. Then he hit me in the balls with a hammer."
- "I went to my dentist and told him my teeth are going yellow. He told me to wear a brown tie." [[1](#), [2](#)]
